Your Move Day Guide

BEFORE WE ARRIVE

How move day starts.

- 01** **Day before — your arrival window.**

Your coordinator confirms a 30–60 minute arrival window. We'll text you when the truck is 30 minutes out so you can finish your coffee.

- 02** **We arrive.**

The crew lead introduces the team, parks safely, and confirms both addresses. Have your driveway, parking spot, or building loading dock ready.

- 03** **Walk-through & protection.**

The lead walks every room with you — fragile items, what stays, any quirks. Crew lays floor runners and wraps door frames. The clock starts now.

THE MOVE

From your old home to your new one.

04

Wrap, pad, and load.

Furniture is blanket-wrapped before it leaves the room. Boxes loaded heaviest-first. Steady, organized progress.

05

Final empty-room check & transit.

Before driving off, the lead walks every room with you — closets, cabinets, behind doors. You both sign the inventory. Then we drive straight to your new home, no detours.

06

Unload, place & sign off.

Boxes go in the room labelled on the box. Furniture goes where you direct. Standard furniture is reassembled. Final invoice reviewed — you pay only after sign-off.
