The Pricing Guide

WHAT'S ON YOUR INVOICE

Two lines. That's it.

Most movers have a reputation for surprise charges. We've built our pricing to be the opposite. Two things on your invoice — your hourly labour and a flat essentials fee — both quoted before move day.

LINE 01

Hourly

Labour & Truck

Your crew, your truck, all the lifting, driving, and unloading. **Billed door-to-door** — clock starts when we arrive at your home, stops when the last item is in place.

LINE 02

Flat fee

Moving Essentials

Blankets, shrink wrap, tape, dollies, floor runners, mattress bags, wardrobe boxes — every protective material. **Use less than we bring? Same price. Need more? Same price.**
